

Bulletin for Ansford Families

Issue 6: 9th December 2022

Message from the Headteacher

Dear Families

Life always becomes a bit hectic before Christmas and life at Ansford is no different! This week has seen the performances of our first drama production at Ansford for many years. It is one that we have been preparing for since the start of last academic year and is certainly one to get us all in the mood for Christmas: ELF! You may remember that we had been getting ready to perform last year but had to postpone the event mid-rehearsals due to the escalating number of COVID cases and the increased restrictions that we faced at that time. Mr Newbury and the cast did not give up hope and have been working hard since then to bring this fabulous production to life. We are so proud of all the young people who have been involved whether it's on stage or behind the scenes and we are really grateful to all the staff involved who have made it happen - in particular Mr Newbury who has worked tirelessly to put on the show. We are hoping to share some photographs of the show on the website in the New Year.

We have further Christmas related events next week including the Christmas Dinner on Thursday 15th, which is also 'Christmas Jumper Day' where we hope to raise some funds for Save the Children. Mrs Reddick has also organised the annual Christmas Card Competition and received lots of high quality entries. Well done to Daisy in Year 11 who has created the winning design that captures both the magic of Christmas and the magic of Ansford! You can see the winning design later in this Bulletin.

Year 11 have really impressed us all this week with their mature approach to their Trial exams. In spite of the nerves, students have managed really well and are learning a lot from the process. The 'mock' exams are a really important opportunity for students to experience the feel of a full set of exams and they help to prepare students well for the real event in June next year. We hope that our Year 11 students will have an opportunity to rest and recover over the Christmas holiday.

This week has also seen the launch of a great STEM event that Mr Hill is leading for some of our students in Year 8. We welcomed graduate engineering apprentices from Leonardo Helicopters in school to kick off the Flying Start Challenge. This is run in conjunction with Airbus, Leonardo, Safran and the Royal Navy with the aim of teaching students about the Physics and practicalities of flight and is in preparation for them designing and building a glider.

We were really pleased to welcome Year 10 Families into school last night for their first face to face parents' evening for a long time. There were lots of positive conversations to support students to achieve their best. Thank you to all families who completed the survey giving your views about how we shape parents' evenings in the future. Mr Musson shares the results and outcomes a bit later in this Bulletin.

In staffing news, I would like to say farewell to Mrs Lowe who leaves Ansford today. You may know Mrs Lowe either as her time as a key part of our reception team or more recently in role as Headteacher's PA and Office Manager. In both roles, Mrs Lowe has provided exceptional support to staff, students and families. She will be missed by us all and I am sure that you will join me in wishing her well in her new ventures. Mrs Bevan has joined us and will take on the role; she brings with her a background of experience working in schools

Whilst this time of year can be really exciting for many, it can also be a difficult time for others - perhaps because of recent bereavement and loss, ongoing illness of yourself or close relatives, a breakdown in relationships, financial hardship or other unspoken reasons that make it tough. If that's the case, please take care of yourself and reach out to family, friends or other organisations who can support you - there are lots of details of these external means of support later in this Bulletin.

This will be our last edition before the break for Christmas, with our next edition due out on Friday 6th January 2023. I wish you all a peaceful and restful Christmas period.

Rachel Purnell
Headteacher

Who to Contact

The relationship between school and home is a key one as a successful partnership between us will support your child's learning, progress and happiness at school. Our aim is to work with you and your child to ensure that happens, which is why it's important to talk with us if you have any questions, concerns or wish to share information with us.

Sometimes, especially when you are new to the school, it can be hard to know who to contact. Our reception staff will be able to direct you to the right member of staff but as a general guide, the key routes for contact are as follows:

- For most pastoral matters, your child's tutor will be the first point of contact;
- If the matter remains unresolved, or for more complex pastoral matters, please ask for your child's Head of Year;
- For matters relating to lessons and learning in a single lesson, please contact your child's teacher in the first instance;
- If the matter remains unresolved or is more complex, please ask for the Head of Faculty in that subject area;
- For other matters, please describe your situation to our reception staff and they will direct you to the appropriate member of staff.

Please remember that many of our staff are also teachers which means that they will not be able to make immediate responses due to their teaching commitments. We aim to respond to all queries within 2 working days; for more complex queries this initial contact may be a holding response whilst we look into your concerns. If your concern is more urgent, please explain that when you make contact.

Regular Notices

From The Safeguarding Team

The safeguarding assembly for this half term was about inappropriate messaging and sexting. The feedback from charities, such as the NSPCC, is that this is growing amongst young people so is a topic that the school wanted to highlight and inform them about. Some additional information about online safety can be found [here](#)

We have been asked to signpost families to online resources to help provide them with information about drugs and alcohol, particularly what to look out for with young people about whom parents have concerns and how to seek support. The following websites are set up to provide help and advice regarding any worries that you may have:

Whilst Christmas is a time of celebration for many it can be very difficult for some. Below are numbers that provide help and support for children and parents.

If you have an urgent safeguarding concern about a student at Ansford or another young person, please contact one of the agencies below:-

Somerset Direct on 0300 123 2224

Police on 101

NSPCC on 0808 800 5000

If you are seeking help and support as a parent of a young person around Emotional Health and Wellbeing, please see the links below to organisations that offer a range of support services:

PARENTS / CARERS

Family Lives offers supportive, non-judgmental help and advice to mums, dads, grandparents, stepparents and non-resident parents. Tel: 0808 800 2222 (weekdays 9:00am- 9:00pm; weekends 10:00am-3:00pm).

Mindline Somerset, the locally-based emotional support and mental health helpline, is open 24 hours a day, 7 days a week. This service provides a safe place to talk if you, or someone you know, is in distress; it also offers basic information about mental health and local support services. Tel: 01823 276 892 or 0800 138 1692

Mindline Somerset also now has a **web chat service**, which operates 7 days per week from 8:00 to 11:00pm. This is an alternative to the phone line for anyone with privacy concerns (e.g. other family members may overhear a phone call), hearing difficulties, or who just finds this an easier way to communicate. [Click here](#) to access the service (an icon should indicate whether the service is currently available, and invite you to 'click through' to access, during opening hours).

Mindline Trans+, is the locally-based but UK-wide helpline for anyone who is trans, non-binary, genderfluid, gender-questioning etc, or for friends and family members. This service is open Monday, Wednesday and Friday, 8:00pm to midnight. **Tel: 0300 330 5468**

The Samaritans will talk with anyone at any time; you don't have to be desperate or suicidal to call or email. **Tel: 116 123** (free to call), or **email jo@samaritans.org** (Samaritans will aim to respond within 24 hours).

Citizens Advice give free information on benefits, work, debt and money, consumer issues, family concerns, housing, involvement with the law or criminal justice system, immigration, and health. There's a lot of free advice on their website, plus details of how to find your local Citizens Advice Bureau. **Tel: 03444 111 444**

SAFEGUARDING

Children's Social Care (Somerset) have a phone number and an email address that any member of the public can use in order to report a child or young person at risk. (In respect of safeguarding concerns arising in the course of your work at Ansford Academy, follow the school's safeguarding guidance without delay). **Tel: 0300 123 2224, or email childrens@somerset.gov.uk**

CHILDREN / TEENAGERS

Childline helps anyone under 19 in the U.K. with anything that they're going through. Support includes a confidential listening service which is available at any time of the day or night. **Tel: 0800 1111.**

The Mix offers free information and support for under 25s in the UK, incl. advice about sex, relationships, drugs, mental health, money & jobs. **Tel: 0808 808 4994** (11:00am-11:00pm daily).

Kooth offers free, safe and anonymous online support for young people (11-18 year olds) in Somerset – NHS-funded. Support includes moderated message boards for talking with other young people, plus online access to trained youth counsellors. (weekdays, 12noon-10:00pm; Saturday & Sunday, 6:00-10:00pm). [This 1 min 30 sec video](#) explains what Kooth's all about, in an approachable, youth-friendly way.

2BU Somerset is for young people in Somerset who are lesbian, gay, bisexual, trans or questioning their sexuality. It offers a youth support group for 13 to 18 year olds, plus online support for young people, parents, teachers etc. **Tel: 07799 136552** (messages checked every weekday).

Safest Location for pick up by families at the end of the school day

Families are asked to park and wait for students at the end of the day in the car park at Caryford Hall. This is the hall opposite the school site and not the sports centre. Students meeting parents will therefore exit via the gate near the car park and this keeps them away from the traffic on the front drive and also within the staff car park. Parents are asked not to use the staff car park to wait or to block Maggs Lane.

Uniform Expectations

As we near the end of term, we would like to thank you for your support and are seeking your assistance in ensuring your child/ren are in full uniform when we return in January. Wearing uniform brings a real sense of belonging and common identity to our children and is really important for our school community. We try to create a supportive environment and want our children to feel part of that and proud of being part of it. Wearing the uniform helps children and teenagers get ready to learn. Getting into school clothes signals that the day has started and helps sharpen the brain for learning.

We will seek to resolve uniform issues with you on the day, beginning on Wednesday 4th January. It is not our wish to prevent students from attending lessons and intend to do this, with your help, as quickly as possible. The response to students being in full uniform has been excellent so we envisage very few students having a delayed start to their day; we have spare sets of uniform in school which we will make available to students.

If you foresee any problems please get in contact with your child's Head of Year during the course of next week so that these can be resolved as quickly as possible

Data Collection

As you are aware the Academy is committed to ensuring that the data we hold is up to date and accurate. We are currently looking at the best way of obtaining this information from parents. Over the next few weeks you will receive a number of requests for data information and consents for students. These will either be in paper form or via a digital form. Please ensure that these forms are completed and returned to the Academy as soon as possible.

Mobile Phones

A reminder that all students should have their mobile phones switched off and in their bags between 8.30am-3.30pm, so if you need to contact your child during this time please ring or email school reception.

Increase in Scarlet Fever and Group A Streptococcal infections

I'm sure that many of you will have seen recent news articles on the increase in Strep A infections this winter. Please [click here](#) to read the latest government guidance on identifying the symptoms and where to seek help or further information.

Parents' Evening Survey Feedback

Thank you to everyone who took the time to complete our recent survey on Parents' Evening. It has been a really valuable exercise, collecting both parent and staff views on how we should organise parents' evenings in the future. The general consensus (approximately 80% of parents and carers who responded, across all year groups) is that face to face meetings are really important so there are opportunities for parents and staff to meet as they are more personable. However, some families did request that we provide opportunities for virtual appointments.

Survey: Key Points

1. There was a consensus that as students progress through their educational journey it becomes more important to hold face to face meetings.
2. Virtual meetings are really valuable for some families to help resolve difficulties e.g. child care arrangements, distance to travel, anxiety of attending a busy evening etc.
3. Families and staff raised the importance of ensuring timings with face to face meetings are adhered to so queues can be avoided - one of the advantages of virtual meetings. It was mentioned, quite rightly, that it can be frustrating when a virtual meeting gets 'cut off' when the allocated time ends.
4. The importance of having focused discussions about the individual and not a summary of what has been taught.

Outcomes

1. To have a blended approach for each parents' evening to provide parents with the opportunity to select an option of either virtual or face to face
2. To ensure, as far as possible, that face to face meetings are kept to the time allocated so waiting times are minimised
3. To ensure content of discussions are focused on the individual, rather than focused on course content or more general points, so that clear improvement actions are discussed to ensure progress in learning

More information will follow as each scheduled parents' evening takes place. We will continue to review the way that we run parents' evenings so that we can make them as accessible as possible for our families.

Year 9 Parents' Evening 12th January 2023

Following the outcomes of Parents Evening Review, Year 9 parents' evening will be held as a hybrid model with a combination of virtual and face to face appointments. The appointment slots will be organised as follows:

4.15 - 4.45pm: Virtual Appointments

4.45 - 6.45pm: Face to Face Appointments

6.45 - 7.15pm: Virtual Appointments

Further details on how to make appointments will be sent to Year 9 families next week

Ansford Christmas Card Competition 2022

A

We have had some really lovely entries for the annual Christmas Card Competition. The winning design card has been created by Daisy in Year 11 (Design A). Daisy's design will be made into Christmas cards to purchase from reception and these should hopefully be available next week. The two runners up were Harry in Year 9 (Design B) and Jessica in Year 9 (Design C). Well done to our winners and all those who have taken part.

STEM Festival

Ansford Academy will be taking part in a very exciting STEM festival (Science, Technology, Engineering, and Maths). This is the first time such an event has taken place in Somerset. The Academy will be hosting a number of exhibitors, including organisations like Thales, Royal Navy, Leonardo Helicopters, along with many other companies who are involved in STEM fields. This is an amazing opportunity to find out about the high tech and groundbreaking organisations in the local area, with the hope of opening the eyes of, and inspiring the young people of Somerset to amazing career openings that exist in our part of the world.

The event is being held on Monday 1st May 2023 at locations in Castle Cary, Bruton and the surrounding area. Here is the website to showcase the event which is free of charge: <https://somerscience.co.uk/>

Music Lessons

Learning to play a musical instrument is hugely rewarding and is a skill that can last a lifetime. Not only does playing music bring joy to oneself and others, researchers have found that learning to play a musical instrument can improve memory, boost listening skills, sharpen concentration, improve social life, and can even help with depression and anxiety. We have a team of visiting music teachers who offer one-to-one tuition on an instrument here at Ansford. Instrumental lessons currently on offer are: Piano, Drums, Vocals, Guitar and Violin.

There is a cost for lessons and instrumental teachers will be responsible for providing invoices and collecting payment. Please email paul.sandy@ansford.net for a form or students can collect one from Mr Sandy in PA1.
