

Careers information and resources for Parents and Carers

Research shows that parents are potentially the biggest influence on a child's career decision making. To help you help them, here are some basic resources to get you started...

- An library of useful Careers websites and resources are available on Ansford intranet using your child's student login.
- Some of these they will be using as part of their Careers education and learning in school - please ask them to share their learning with you as this will support their exploration and decision making. Please see details of our Careers Programme on the link from the main page
- The links to the sites below are specifically designed to inform and support parents/carers to support their child with Career decisions and options at each stage of their journey:
