

National Apprenticeship Week starts on Monday 5th February

Things you can do to find out more about the Apprenticeship pathway and opportunities at 16 and beyond:

Try **Apprenticeships Unlocked** - a short online course with info about the entry requirements, what you'll earn and what types of apprenticeships there are and you can do after completing.

<https://unlocked.springpod.com/training-options/apprenticeships>

Try the **Amazing Apprenticeships Arcade Games** – how good is your knowledge?

<https://amazingapprenticeships.com/apprenticeship-arcade/>

Find out who the **Top Apprenticeship Employers** are (2023):

https://topapprenticeshipemployers.co.uk/?i=app_launch_of_new_rankings

Attend the Unifrog **Virtual Apprenticeship Fair on 7th February from 16.30 – 19.00** – big name employers include BBC, Lloyds Banking Group and NHS. Register here:

<https://unifrogapprenticeshipsfair.vfairs.com/>

Attend a real, live, local **Apprenticeship and Employers Fair at Yeovil College on 7th February from 17.00 – 19.30**. Register here:

<https://www.yeovil.ac.uk/events/apprenticeship-careers-fair/>

View the **Careers Live Broadcasts** featuring, major, national companies and search live vacancies:

<https://careersliveuk.com/channel/>

Year 11 – a reminder that now is the time to make Applications for post 16 options. If you are interested in an Apprenticeship and need support with employer applications please email for a meeting:
