

22 May 2024

Dear parent(s)/carer(s),

### **Summer Term Examinations Timetable – Year 9**

Please find enclosed a copy of the Summer Term Examination Timetable for your child.

Examinations in Year 9 are taken in the classroom during normal class lesson time. They are intended to help teachers gain an overview of students' understanding of their learning over the past year.

Whilst we expect the students to take these examinations seriously, it is important to stress that they should not cause additional worry. Teachers may have set revision activities as part of their homework. Teachers will have been covering 'review' sessions in the past weeks with a view of the students taking these examinations.

The examinations are the last assessment point before students start their GCSEs and teachers will use the information gathered to inform planning for next year.

It will be helpful for you to go through the timetable with your child and highlight which examinations they will take on which days, so that when they arrive at the lesson, they are prepared.

The results of these examinations are reported to families in the students' End of Year Reports at the end of term.

If you have any queries please do not hesitate to contact me.

Kind regards

Karl Musson  
Deputy Headteacher: Curriculum and Standards
