

Dear Parents / Carers

Year 11 Revision Resources

With Year 11 mock exams fast approaching, we wanted to give you another opportunity to purchase revision resources for your child.

Revision guides provide an effective way to support learning in the classroom and we recommend all students use them in preparation for their exams as they work so well at summarising the key content.

The list attached shows revision resources available to purchase across all subjects – **please note these will not all apply to your child**. It is important that you discuss with your child which items they will need, and for some subjects, which tier is most appropriate. (eg Higher / Foundation), plus check which books they already have. If you are unsure, your child can speak to their teacher for advice.

If you would like to order any of these revision resources for your child, please place your order through 'The School Gateway'. If you have not registered, please go to www.schoolgateway.com. You will need to enter the e-mail address and mobile number we have on record for you. We use the email address and mobile number that we hold for the priority one contact(s) in our database. If you do have any issues with using this system, please contact helen.martin@ansford.net. For some resources, we will need you to enter the tier required in the comments section before you add the item to your basket.

Please place your order by Monday, 30th September 2024.

In some circumstances, the Academy may be able to help cover some of the cost of purchasing revision guides. In order to be considered, you must be in receipt of one/some of the following benefits:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

In order to be considered for help towards meeting the cost, please email Helen Martin.

Yours sincerely
