Dear Parents and Carers,

Re: School Footwear for September

We would like to extend our sincere thanks to those of you who have contacted us regarding appropriate school footwear for September. Your support and proactive communication are very much appreciated, and it has been encouraging to see so many families seeking clarification before purchasing shoes.

As we prepare for the new academic year, we are grateful for your continued cooperation in ensuring that all students adhere to our updated uniform expectations, including the requirement for formal school shoes.

Examples of Acceptable School Shoes

To support families in making appropriate choices, we have attached a selection of additional examples of acceptable shoes in a range of styles and price brackets. This list is **not exhaustive**, and we continue to encourage you to contact us if you are unsure whether a particular pair is suitable.

Please note that all footwear should be **plain black, polishable leather or leather-style**, with no visible logos, coloured stitching, or decorative features. Trainers, canvas shoes, or branded sports footwear are not considered appropriate.

If you have any concerns or queries, please don't hesitate to get in touch. Once again, thank you for your support in maintaining high standards for all our students.

Yours sincerely,

Karl Musson
