School Meal Price from September 1st 2024

Dear Parent,

I am writing to inform you of the change in school meal price for 2024/25. Due to the current rate of inflation, we have taken the difficult decision to increase the cost of meals, to £2.75 from £2.50. As a trust we have held the current price for 2023/24 to ensure inflation wasn't passed to families.

This increase is helping us to ensure every Astrea child has access to a hot, fresh, and sustainable meal, for every day they are with us.

Yours sincerely

Guy Johnson
Strategic Head of Estates
