

Learn. Thrive. Succeed

Dear Parents/Carers

At Edenthorpe Hall Academy, we believe that strong partnerships between school and home are key to creating a thriving learning community. We are pleased to announce that the school has entered a partnership with **Edenthorpe Hall Together PTFA** (Parents, Teachers & Friends Association). The formation of the PTFA is very welcome and we are looking forward to our first year working together.

What is the PTFA?

Edenthorpe Hall Together PTFA is a vibrant, inclusive group of parents, carers, staff, and friends of the school who work together to support and enrich the educational experience of all our students.

Our mission is simple: **to bring people together, build community spirit, and raise funds that directly benefit our children.** From organising fun events like school fayres and discos, to supporting classroom resources and extracurricular activities, the PTFA plays a vital role in school life.
