**Every Day is a Page in Their Story** A huge thank you to everyone who made our World Book Day such a fantastic success! It was wonderful to see the school buzzing with excitement, and we are incredibly proud to share that we saw our best attendance of the year so far. This shows just what we can achieve when we work together. Just like a great book, your child's education is a story that builds day by day. When they are here, they don't miss those vital 'chapters' that help them build confidence, make friends and discover new talents. We love hearing about their successes, so please do keep sharing those wins with us at the gate, through the MCAS app, or during our parent evenings.

**Working Together: Our Attendance Meetings** At Hartley Brook, we believe in being a team around your child. Sometimes, things like 'morning wobbles' or other barriers can make getting into school a struggle. If we invite you to an attendance meeting, please know it is never about blame or 'telling off'. Instead, it is a chance for us to listen and build a clear picture of your child's strengths and the things they find tricky. By understanding these 'wobbles' together, we can create a supportive plan that helps your child feel safe, happy, and ready to shine every single day.

**Fresh Starts and Bright Futures** As the winter bugs fade away and the March sunshine begins to peek through, we have a brilliant opportunity to finish the term strong. With two weeks left until the Easter break, let's focus on building those steady morning routines that make the start of the day calm and positive. Even if the start of the year was difficult, every new day is a fresh chance to improve. Attendance is about so much more than just a 95% target; it is about ensuring your child doesn't miss out on the experiences and friendships that set them up for a lifetime of success. Let's work together to make these final weeks of Term 4 count!

### Sports Hall Athletics - City Finals

What a performance for our Athletics team who recently competed in the city finals at the EIS. Their effort and commitment commendable!!! To have qualified for this event - reaching the last 8 from over 100 schools is amazing. They narrowly missed out by 2 points on coming in the top 2 so although they will not move onto the South Yorkshires every one of them needs to be congratulated for a brilliant achievement . Well done team Hartley Brook!!!
