Keeping the Momentum: Our Attendance Stars are Shining!

It is wonderful to see so many “green lights” beginning to glow across our school map! As we head into the final stretch of the year, we can see that when we work as a team - parents, pupils and staff - our “little stars” truly begin to shine.

Looking at last week’s numbers, we have some incredible success stories to celebrate:

The Weekly Hall of Fame

☀️ A huge “High-Five” to the classes who hit our 95% green target last week:

- Nursery AM: A breathtaking 100%! You showed us exactly what is possible.
- Y4 JD (96.8%) & Y4 JW (95.56%): Our Year 4s are leading by example.
- Y3 CM (96.67%) & Y3 SM (96.3%): Brilliant consistency from Year 3.
- Y2 ET (95.93%): A fantastic jump into the green zone!

We also want to give a special shout-out to Y1 KL and Y3 DW, who both saw strong improvements last week, moving closer to the green light. Every day in school is another chance for your child to learn, grow and be part of their class - and we are here to help make that happen.

The Year 6 Mission: 100% for SATs Week

Year 6 (LN, RS & TJ), we are looking at you!

Last week, you were so close to the target, with Y6 TJ leading the cohort at 94.23%. As we approach SATs week (Monday 11th May - Thursday 14th May), we have a special mission for our oldest pupils: Can we get a “Full House” of 100% attendance?

SATs week is a chance for our Year 6s to show everything they have learned this year. We want every pupil to walk in feeling confident and ready. Parents, your support is the bridge that gets them the best possible start to their day.

We’re In This Together

We know that for some families, the road to “green” is not always easy. Whether it is a tricky morning routine or health worries, we are here to listen and help. If you are struggling to get your “little star” into school, please chat with us at the gate or call the office. We are a team, and we will figure it out together.

Let’s keep those green lights growing!

29 April 2026

Dear parents and carers,

We're really excited to start our new Home Reading Reward Scheme!

Reading at home, even for a short time, can make a big difference to your child's learning. We want to celebrate every child who is reading at home.

How it works:

- Each time your child reads at home, it counts as 1 read
- Please record this on their reading tracker sheet (only 1 read per day)
- Reading can include:
 - Your child reading to you
 - You reading to your child
 - Listening to audiobooks
 - Reading comics or magazines
 - Reading in any language

Rewards:

- 25 reads = Bronze certificate
- 50 reads = Silver certificate
- 100 reads = Gold certificate

How you can help:

- Sign the reading tracker when your child has read
- Aim for around 10 minutes a day
- Celebrate every read—no book is too easy or too short

If you have any questions, please speak to your child's class teacher.

Thank you for your support—it really does make a huge difference.

Kind Regards,

Mrs Costello, Principal
