Dear Parents/Carers

Growing Together, Shining Together! ✨

As we reach the end of another busy and exciting half-term, we want to take a moment to say a huge thank you to our incredible community. Look back at our recent attendance and punctuality data, we are thrilled to share that things are moving in a really positive direction.

More and more of our families are building brilliant morning routines. We have seen a fantastic rise in children arriving on time for the school gates opening at 8:30am (or earlier to our FREE BREAKFAST CLUB), and a noticeable drop in families arriving after 9:15am. Every single time your child arrives on time, they get a calm, smooth start to their day. Stepping into class feeling ready, relaxed and confident. These small, daily habits are building massive futures for our children.

We know we have still got work to do together to reach our academy target, but the direction of travel is genuinely exciting - and that is down to you. Thank you for working with us to make every school day matter!

Turning the Page - Preparing for Next Steps & Transitions 📅

Now that our Year 6 students have finished their SATs, our focus across the whole school shifts towards transition. For our oldest pupils, this final half-term is all about making the most of every moment as the leaders of Hartley Brook. We are encouraging them to be the ultimate role models by showing up every day - demonstrating to the rest of the school exactly what commitment, excellent learning habits, and great behaviour looks like.

Attendance Information Part 3

For our younger year groups, the next few weeks are some of the most important in the whole year. Across school, we will be running transition visits, taster sessions, and buddy activities to help every child feel confident about the year ahead - whether that means adjusting to new classrooms, meeting new teachers, or making the big leap from lower school to upper school. Missing school right now means missing out on the crucial friendship-building, reassuring visits, and soft landings that make moving up feel safe and exciting. Let us work together to make sure they are in school for every one of these important days!

Sweet Rewards - Celebrating Our Attendance Superstars 🍌 🍷

Next term, we are turning up the celebrations! We want school to feel like a place where effort is noticed and valued. In addition to the shopping vouchers we have been awarding all year to celebrate great attendance, we are delighted to announce the return of our Friday Pick 'n' Mix prizes!

We will also be introducing some fun non-uniform incentives and special, memorable end-of-year rewards for children who hit our academy target of 95%+ attendance, as well as those who achieve 100% attendance for the whole year. Attendance is a team effort, and we cannot wait to celebrate our collective success on the stage where our children practise for their futures.

A Well-Deserved Rest! ☀️

We hope you all have a wonderful, relaxing and safe half term break. We cannot wait to see our whole team back together, smiling at the gates, when school reopens on **Monday 1st June 2026**.

Warmest regards, The Hartley Brook Attendance Team

Food Supplement Vouchers

FOOD SUPPLEMENT VOUCHERS FOR MAY SPRING BANK HOLIDAYS

A £15 food supplement voucher will be sent to the following groups to help over the holidays:

- Families who claim income-based Free School Meals (FSM).
- Families who receive income-assessed Early Years Support.
- Young people leaving their care setting (Care Leavers).

Our Plan

- We aim for the voucher letters to arrive with parents/carers **w/c 18 May**. The letter will include the website link for Edenred and clear instructions on how to download the voucher, and we are asking parents to contact their school/establishment in the first instance if they need help with downloading or printing their vouchers. We are also providing them with the contact details for Edenred.

The Process

Parents/carers need to go to the following website to redeem their vouchers - www.selectyourcompliment.co.uk/grocery/

- Enter their unique 16-digit e-code and select their chosen supermarket. Edenred gives a choice of 11 supermarkets: Aldi, Asda, B&M, Company Shop, Farmfoods, Iceland McColl's, M&S, Tesco, Sainsbury's and Waitrose.
- Parents/carers can download their vouchers for more than one supermarket. For example, £10 for Aldi and £5 for Asda.

The downloaded e-gift card/voucher will arrive by email within 24 hours. If they cannot find this, they should check their Junk/Spam folder.

Please note that codes need to be activated by 24 July 2026 or they will be cancelled automatically. Once vouchers have been redeemed on the Edenred website they will be valid for 12 months.

Where can families get further help?

- The FSM voucher helpline - 0114 2734567, option 4, option 3 - can offer help to parents experiencing difficulties with their e-codes or with general FSM enquiries.

Parents/carers can also contact Edenred directly with an enquiry about an e-code or voucher at:

freeschoolmealsparentscarers@edenred.com or telephone 0333 400 5932.

Schools can contact Edenred at freeschoolmeals@edenred.com

Additional Support for Families

Please speak to one of the services below, as they can provide support with income maximisation:

Kids' May Half Term Activity Pack

We're delighted to share our brand new **Kids' May Half Term Activity Pack**, filled with fun nature-themed activities including an i-Spy challenge, planting seeds, a recipe and a puzzle for families to enjoy during the holiday. It's a great way to inspire children to get creative, explore the outdoors, and learn more about the outdoors and the Trans Pennine Trail.

With colourful characters leading the way, this activity pack inspires kids to discover spring wildlife, get creative, and enjoy the magic of the outdoors. There are opportunities to share their adventures and to earn a digital certificate.

The packs are ideal for Key Stage 1 and 2, but there's something for everyone – whether you're a parent, or young explorer. They're perfect for use on the Trail, in your local park, or even indoors on a rainy day. Every pack is designed to help everyone learn, play, and make memories while exploring the outdoors.

The activity pack can be used 'on the go' by downloading it to a mobile or can be printed at home. Download it from our Children's page at: [Welcome to our Children's Page | Trans Pennine Trail](#) .
