Hartley Brook Weekly Attendance Update

Let's Finish the Year Strong!

We're in the final 7 weeks of the school year - and everyday counts. Missing school now means missing out on learning that builds into next year. Let's cross the finish line together!

How are we doing?

Our school target is **95% attendance** – a standard that gives every child the best possible start in life. We're working hard as a community to reach it, and your support is making a real difference.

★ Last week's stars: Y4 JD (97.60%), Y1 KL (97.31%), and Rec ML (96.79%) - brilliant effort!

We're keeping a close eye on our afternoon Nursery and Year 6 classes, where attendance dipped last week. Every session still matters - SATs are done, but learning isn't!

Team Challenge: Win a Non-Uniform Day!

If we hit 93% whole-school attendance from Monday 15th to Thursday 18th June, every pupil and staff member can wear non-uniform on Friday 19th June!

Parents and carers will be notified via ClassDojo and the MyChildAtSchool app on Thursday 18th June.

Every morning and afternoon sessions count. Talk to your children - let's make it happen together!

A reminder about term-time absence

We understand family life is busy. However, we can't authorise term-time holidays or celebrations. Under national rules, just 5 unauthorised days within a 10-week period can result in a Fixed Penalty Notice issued by Sheffield City Council - this is a national government requirement, not a school decision. If your child will be absent for any reason, please contact the school office in advance.

FAQs

Why does school need to know where my child is, every if they're with me? We have legal duty under Keeping Children Safe in Education to account for every child on roll during school hours. This isn't about distrust - it's about making sure every child in our community is safe and supported.

What counts as a session? Every morning and every afternoon is a separate session. A full school day = 2 sessions. This is how attendance is calculated nationally.

What if my child is genuinely unwell? Please call or message the school office on the first day of absence and each day after. We may follow up - this routine and part of how we keep children safe, not a sign of concern about your family.

What if I'm worried about getting my child to school? Please speak to us. We have support available and would always rather have an early conversation than see a family struggle in silence. Contact us via ClassDojo, the MCAS app or call the office.

Year 6 - Bikeability

Bikeability Cycle Training

Dear Parent/Guardian

Your child can take part in Bikeability Cycle Training, which builds safe, confident cycling skills. Training starts in the playground and then moves onto quiet local roads.

Please complete the online consent form (link below). The training is free.

Children need to be able to ride a bike to take part in Bikeability Level 1 and 2. If your child cannot ride a bike, please tick on the online consent form and we will be able to arrange a slot to teach them during our time in school.

Please note: if your child needs to borrow a bike and/or helmet for the training, we can provide these. **You do not need to contact us separately to request them** – please just indicate this when prompted on the online form.

The cycling will continue whatever the weather, so please send your child with warm and waterproof clothing. Gloves are a good idea. We suggest that pupils wear trousers or tracksuit bottoms when training.

**The training will take place during school time on:
Monday 22nd – Friday 26th June and Monday 29th June – Wednesday 1st July 2026
Your school will tell you which days your child will receive their training.**

This course is being run by Cycle North on behalf of Sheffield MB Council and the instructors are fully qualified, checked and insured.

Your child will need to have with them, for all their course sessions:

- A bike which is roadworthy and fits properly.
A bike check will be carried out on the first day and any bike which is not roadworthy cannot be used on the course. I've attached a bike check form to help you ensure that your child's bike is in a good condition.
- A cycle helmet (which fits!)
- Warm clothing and a water-proof jacket

Your child will be continuously assessed throughout the course. The training will start with a playground session and the children must reach the required standard in cycle control, in order to proceed to the on-road Level 2 sessions that follow. At the end of the course, all children will receive a certificate that confirms their participation on the course along with a badge.

Y6 - Bikeability

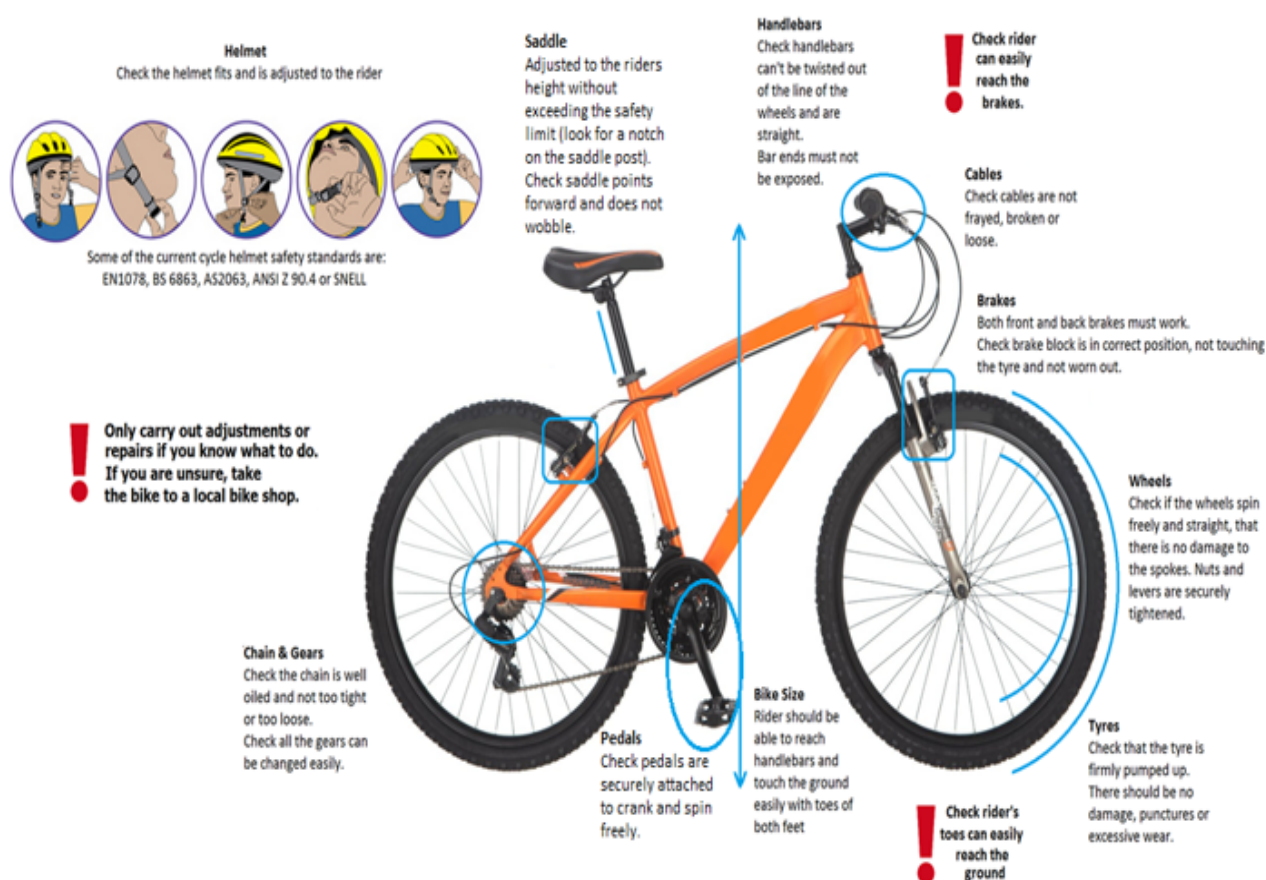

Is the bike alright to use?

The cycle training can be done on any sort of bike, as long as it is roadworthy and has both a front and back brake. Please check your bike using the checklist below. If in doubt take it to a bike shop and ask them to check it. Our trainers are not mechanics but may be able to make minor adjustments on the day. Unfortunately, if your child arrives with a bike that we do not consider safe to use on the roads, your child will not be able to do the training unless you have booked a loan bicycle with us.

Bicycle Checklist

As a part of the training course, your child's bike will be assessed by an instructor to check if it is in a safe and roadworthy condition.

Unsafe bikes can not be used on the course.

Arches Dance Performance

Hartley Brook's Dance Group took part in two amazing shows last month, including the Arches Dance Show and SSG Dance Competition. The girls performed a dance routine that was over 5 minutes long, and demonstrated great tenacity, resilience and unity throughout. Spectators commented on how enthusiastic the dancers were, and they loved the props we had incorporated throughout. Well done to everyone involved!

Magna Visit

Year 2 visited Magna on Tuesday 9th June. The children enjoyed learning all about materials and how they can change. Huge thank you to the parent volunteers for helping to make the day a success.
