Attend Today, Achieve Tomorrow

Red Nose Day—Friday 21st March

Kingfisher Primary is raising money for Red Nose Day 2025 which this year will be 40 years old.

We are going to:

Come dressed in Red! This can be as little or as much red as you would like

OR

For one year only to mark the 40th birthday of Red Nose Day you could dress in 1980's fashion

What is Red Nose Day?

- Red Nose Day is a fundraising event run by Comic Relief that takes place every two years
 - Comic Relief is a UK charity, which aims to create a just world, free from poverty
- Last Red Nose Day the UK public raised an astonishing £52 million to help people living incredibly tough lives both here in the UK and Africa

We're taking part in Red Nose Day 2025 because:

- Pupils learn valuable life skills
 - Pupils gain understanding and empathy for others in the world
 - It brings the whole school community together
- Our school can really make a difference to people's lives

Let us know if...

There has been change of contact details: If you have been lucky enough to have a new phone, please make sure that the office have been given the details so that we can update our contact systems. Also if you have any changes to your address or email details. Thank you.

Changes in medical needs: Has your child been recently diagnosed with anything that school should know about? Are they now Asthmatic and require an Asthma Care Plan? All these things school should be aware of. If your child requires medication a form must be completed before school can administer anything.

Changes in circumstances: If you feel there has been a change within the family which you think could affect your child and we should be aware of, by us knowing this helps us to monitor your child and help if required.

Parking Around School

The school has received a number of reports from parents in relation to parking problems at Kingfisher Primary. The problems which are being reported are parents parking on yellow zigzags when dropping off their children. The zigzags are placed there for the safety of the children who attend the school.

I am also aware that a number of concerns have been raised directly with the council around the safety of pupils when leaving the school grounds; please can I ask that we pay particular attention to how and where we park around the school to ensure the safety of everyone

Term Dates:

The last day of Term is **Thursday 13th February** and we return on **Monday 24th February 2025**

The next INSET Day is :

Friday 14th February 2025
