Up and coming Sports...book the date in your diary

Following the extremely hot or wet weather which we can experience in the second half of the summer term and which has meant that our Sports Day's could not go ahead. We didn't want that to be the case and so they will be taking place in the final week of this half term, when we hope the weather will enable these to take place. We will send reminders out about the timings of the Sports days for the different year groups as we approach the events—this will be via the app and Facebook so please watch out.

As we did last year we are hoping to have The Hepworth open so that we can serve refreshments throughout the event.
