

Holiday Camp

During the Easter holiday we were lucky enough to have a holiday camp take place in school. The camp ran during the two weeks of the holiday and the children had the opportunity to take part in a number of activities from different sporting activities through to craft activities...they thoroughly enjoyed making slime!!

During the days of the camp the children also were provided with a meal and snacks.

We are hoping to have the same camp during the summer holidays too so please look out for the camp being advertised as we approach the end of the summer term.

Attendance Matters

Here are our attendance figures for last week. Our whole school attendance target this year is 96% our whole school attendance currently stands at 94.8%. Thank you for helping us to reach our target by ensuring that you are in school every day

School Matters!

Parking near the school site and considerate road use

We have received a number of complaints from the school's neighbours regarding inconsiderate, and often illegal, parking by families accessing the school in the mornings and afternoons, including parking on the zig-zag lines outside school and parking across private driveways. We have also had complaints about parents and children not crossing the road with due care and attention, putting themselves, other pedestrians and the drivers of any cars near the school in danger.

We speak to the children regularly about road safety and keeping safe when crossing the road. You can help us to ensure children have a happy and safe journey into school each morning by considering one of the following:

Parking responsibly

As with the majority of primary schools in the country, we do not have a 'parent' car park. If you do need to drive to drop off or collect your child please park considerately and ensure you are not obstructing drives, garages or access to roads. Please be respectful of our neighbours and remember that parking on zig-zag lines at any time of the day is prohibited.

Our children's safety is our main priority and this includes their journey to and from school. We appreciate your support in this matter.

Up and coming Sports...book the date in your diary

Following the extremely hot or wet weather which we can experience in the second half of the summer term and which has meant that our Sports Day's could not go ahead. We didn't want that to be the case and so they will be taking place in the final week of this half term, when we hope the weather will enable these to take place. We will send reminders out about the timings of the Sports days for the different year groups as we approach the events—this will be via the app and Facebook so please watch out.

As we did last year we are hoping to have The Hepworth open so that we can serve refreshments throughout the event.
