

Farm Visit

This half term we had a visit from a farm, where our FS2 children were given the opportunity to learn more about animals which live on a farm and to actually have the opportunity to meet and feed the animals.

The children were very excited and loved having the opportunity to hold the chicks and feed the pigs.

Attendance Matters

Here are our attendance figures for last week. Our whole school attendance target this year is 96% our whole school attendance currently stands at 93.9%. Thank you for helping us to reach our target by ensuring that you are in school everyday

Class	Current Attendance
1	93.0%
2	90.0%
3	95.0%
4	94.0%
5	93.0%
6	95.0%
7	95.0%
8	93.0%
9	93.0%
10	94.0%
11	95.0%
12	96.0%
13	96.0%
14	94.0%

Re-scheduled Sports Day...book the date in your diary

The weather was kind enough to us on Monday this week, which enabled the KS2 Sports Day to go ahead, however sadly we have had to cancel the EYFS and KS1 Sports Day as the weather means it is not safe enough for these two events to take place.

The new dates for the Sports Days are

EYFS Sports Day - Wednesday 12th June 2024

KS1 Sports Day - Thursday 6th June 2024

We will send out reminders for the two dates above using the school app so please keep checking. Lets hope for better weather.

Summer Fayre Date

We are super excited to announce that our Annual Summer Fayre is going to be held on **Wednesday 26th June** between 3pm and 4.30pm.

We are preparing a fun day for all the family to enjoy with lots of activities, refreshments, stalls and competitions. We also hope to have some games and displays on the field to keep you entertained whilst you relax in the sunshine.

There will be lots of fun things to do, see and even create..... so pop along, come and join in the fun!

Making Smoothies in Year 5

Year 5 have had some great fun combining their maths learning - converting measurements with smoothies.

They first had to convert the different ingredient measures so that it was easier to get a more accurate measurement. Once they had done that, they used the scales to weigh out the different ingredients before having a go with the blender to combine everything together.

The best part was going outside on the grass to enjoy the smoothies in the sun!

Term Dates:

The last day of Term is **Friday 24th May 2024** and we return on **Tuesday 4th June 2024**

The next INSET Day is :
Monday 3rd June 2024
