School Matters!

Christmas Performances

We are really pleased to be able to let you know about our Christmas performances for this year.

We want to ensure that this is a fantastic experience for all our families and the children. With this in mind we are keeping the number of seats at 65 for each performance. There will be 3 performances for the KS1 Nativity and 3 performances for early years so that we can ensure that each child taking part can have two tickets for their family to be able to come and see them perform. Please watch out for the letters coming out in the next few of weeks so you can book your tickets, these will be issued on a first come first served basis for each performance.

"Midwife Crisis" Year Groups 1 and 2

Four performances:

Monday 8th December at 9.45am and 2.00pm

Tuesday 9th December at 9.45am

"It's a Baby!" Nursery & Reception

Three performances:

Wednesday 10th December at 9.45am and 2.00pm

Thursday 11th December at 9.45am

Christmas Fayre

After the success of our Summer Fayre earlier in the year we are pleased to announce the date for our Christmas Fayre this term.

The Christmas Fayre will be taking place at Kingfisher Primary on Wednesday 26th November from 3.00pm to 4.00pm. All the stalls and events will take place outside on the school grounds (weather dependent if not they will be inside)...so please wrap up!!

All children in school will be spending time leading up to the Christmas Fayre making Christmas gifts and items to sell.

We hope you will be able to join us on that afternoon to enjoy the different stalls and see what the children have spent their time making in school.

All money raised will go into the fundraising pot and will be used to provide resources for the children and subsidise visits and experiences.

Start and end of the school day

I wanted to take a moment to discuss some important matters regarding our school grounds and pupil safety. As we've observed recently, there are specific areas of our school that require careful attention and respect from both our pupils and families.

Our school field and Forest School area are designated spaces with clear guidelines about pupil access. During the school day, these areas are off-limits to children. I'm writing to emphasise the importance of maintaining these boundaries, both during school hours and outside of them.

When collecting your children, I kindly request that you ensure they do not enter or play on the school field, particularly during wet and muddy conditions. We've noticed that wet ground can lead to mud being tracked into our school, which directly impacts our carpeted corridors. Keeping these areas clean and maintaining our school environment is a collective responsibility.

Regarding our Forest School area, I want to reassure parents that we take pupil safety extremely seriously. Before any use of this space, our staff conduct thorough checks in line with our comprehensive risk assessment protocols. This ensures that the area is safe and appropriate for pupil activities.

By working together and following these guidelines, we can protect our school grounds, maintain a clean learning environment, and ensure pupil safety. At the start and end of the day these checks have not been carried out so the children should not be accessing the space.
