ASTREA ACADEMY NETHERWOOD UNIFORM EXPECTATIONS 2025-26

Uniform Expectations

As a Trust and as an Academy, we are values-driven. Our vision is to provide an inclusive, aspirational and academic education for all our scholars, so that all of them will learn, thrive and lead successful lives. We are unapologetically ambitious for every child, no matter what their background, prior attainment or needs. We want to ensure that all our scholars have the option to be able to go to university or aspirational alternative. We are not going to reduce expectations because of a child's background or home life, or because they are new to English or have a special education need. In fact, the opposite is true. It is our job to redouble our efforts to help children overcome these barriers so that they can learn, thrive and lead successful lives.

In support of our values, uniform achieves three important objectives:

- **It encourages a sense of community identity and pride.** By wearing the same badge and the same clothing, scholars are encouraged to think of the needs of the community as well as their own individual needs.
- **It encourages our scholars to develop habits for life.** By learning to, for example, polish their shoes, fold trousers or hang up their blazers, scholars learn the habits of discipline and personal responsibility that will stay with them for life.
- **It prevents unkindness or bullying while keeping costs down.** By requiring all our scholars to wear the same low-cost uniform, we reduce the incentive for scholars to ask parents for the latest (and most expensive) items of fashion. As a result, costs are kept as low as possible and no child can be seen to be poorer or wealthier than any other.

All Astrea secondary scholars should wear full school uniform. Uniforms should reflect our values and reinforce our culture of high expectations, pride in appearance and academic achievement. Uniform is one way in which scholars identify as an academy community and it promotes a strong and cohesive academy identity, supporting high standards in all areas of academy life as well as a sense of belonging.
