

Community Advisory Group

Half Term 6 - 27th June 2023

Tuesday 27th June 2023

On Tuesday 27th June 2023 we held our very first Community Advisory Group (CAG) Meeting.

The purpose of the CAG is to reflect on the journey the academy has been on, receive feedback from parents and members of the community and discuss the next steps which can help develop the academy to continue to move forward.

During our first meeting the members confirmed the dates for the upcoming year for the next academic year and planned the first two agenda items.

The CAG members met with David Boyd (Associate Principal) to discuss the purpose of the meeting and also had a tour of the school. This day was particularly special as it was the academy's first Culture Day. During this meeting the members also brought some questions which have been followed up in the 'You said, We did' section.

A reminder that this is an open group and if you are still interested in joining, please email chloe.wood@astreasheffield.org for more information.

<p>What support is there for Y11 during exams, especially for those with anxiety?</p>	<p>Every night leading up to and during the recent Y11 exams, we offered a quiet space for scholars who were taking exams to come and talk to staff and enjoy some free food and drink while talking through their stresses and worries. Some scholars just used this as a space to sit quietly and unwind after a busy day.</p>
<p>It would good for more extra-curricular opportunities for all scholars after school.</p>	<p>We have appointed Mr Perez as Enrichment Lead for September 2023 onwards. In addition to teaching Spanish, Mr Perez will organise our electives programme and a suite of afterschool activities for all scholars to be able to take part in. He will ensure there is a mixture of academic, creative and sporting activities each week. This offer, which will be launched in September 2023, will help to develop the whole child by giving access to a broad range of activities.</p>
<p>You want more academic support for your child, not just support with behaviour.</p>	<p>We have appointed five members of staff next year as Academic Year Leaders. These members of staff will work alongside our current Pastoral Year Leaders to ensure that all elements of each scholar's academic life are supported. The Academic Year Leaders will ensure that parents are well informed about how each scholar is doing in all lessons, both in terms of behaviour and attainment.</p>

<p>You asked about careers meetings for scholars in younger year groups.</p>	<p>The careers office will be open and break and lunch times for younger year groups to access support and guidance. Post-16 drop down day will provide relevant information for routes into careers in addition to the careers year plan.</p>
