

## PARENT

My 4 children currently attend the Primary Phase.

Events I've supported:

- Organisation of Y11 Prom

I joined CAG a few months ago. I already attended a few courses within the school and my daughter will be joining the Secondary Phase next academic year.

As a member of CAG I have been a part of the team that helped organise the Y11 Prom and also contributed to group discussions. Discussion include a variety of important topics such as; sex education, parental concerns about scholar participation and the uniform policy.
