

PARENT

I have 3 children and one of them currently attends the Secondary Phase in Y7.

I joined CAG in November 2025 and I am excited to support in representing parent voices in school decisions.

I am also looking forward to supporting fundraising initiatives, mentoring new CAG members and collaborating with teachers on the extra curricular programme.

My advice to other parents and carers would be to take time to understand what is happening in your child's school as this will benefit both yourself and your child. This is why it would be a great opportunity for you to join CAG.
