Family Dining Lunch Menu's

We are excited to share that new lunch menu's will be coming! Following parent & scholar feedback, our catering team are currently designing a brand new menu which will be launching very soon.

Here are some photos following the tasting session with the Senior Leadership Team.

Please click the following link to view the menus for family dining.

Don't forget you will need to let us know on the Wednesday of the week before whether you want your child to eat the school food or a packed lunch for the following week.

You must let us know if you want to change whether you are opted in or out.

If you are opted in and want to stay in, you don't need to do anything - same for if you are opted out and want to stay out. However, if you want to change from opted in to opted out or vice versa, you must let us know by the Wednesday before the week you want to change.

If you do not let us know that you would like to opt out of family dining, then you will still be charged.

Please also remind your child that if they are bringing in a pack lunch from home then they must not have a school dinner. Unfortunately, we are seeing scholars who have chosen to opt out of family dining but are still eating the school lunch which means they will still be charged.
