As a school we fully believe that in order for a school to be a success it needs to work hand in hand with the community it serves. We wish for Astrea Academy Sheffield to be a thriving hub for the community, one that everyone can be proud of. For us to achieve this it is vital that we open up our doors as often as possible for the community, be it coffee mornings, open events, scholar review evenings or community fayres. It is also of paramount importance that we seek feedback and advice from community stakeholders. That is why we feel passionately about the development of an active community advisory group within the school.

The purpose of the CAG is to reflect on the journey the academy has been on, receive feedback from parents and members of the community and discuss the next steps which can help develop the academy to continue to move forward.

Vision, Achievements & Aims

Introductions took place for existing and new members and also an introduction to Mrs Gwynnette who will be leading the CAG from October half term.

We discussed the vision for CAG, the impact from last year and progress made. A review took place regarding CAG meeting agenda items from 2025-26 and the impact made from these discussions.

We would like to thank CAG members for their feedback and support throughout 2025-26 and developing our academy journey to drive the school forward.

Our 2026-27 CAG aims are:

- Increase the attendance and number of CAG members signed up
- Expand CAG to regularly include parents and colleagues from all phases
- Continue to establish and develop effective links with our CAG members and the local community to achieve our vision

ParentKind

Throughout the last academic year, the academy achieved the Silver ParentKind award whilst also meeting 21 pieces of Gold criteria. This is a testament to the improved collaboration with parents and our local community.
