INSPIRING BEYOND MEASURE

Open Evening
18/09/2025

What we want for your child

- To feel **safe** and **happy** in school
- To be able to learn in **disruption-free** environments
- To have the **best teachers**, who inspire, engage and develop a **joy of learning** in young people
- To have a wide range of **opportunities** beyond the classroom to widen their horizons
- To achieve the best possible **outcomes** at the end of their education so they are able to **choose their future**
- To **thrive** and lead **successful lives**

Our aim
Our ethos

**Achieving excellence
in everything we do,
for everyone.**

Work hard, be kind

**Scholarship
Curiosity
Tenacity
Respect
Responsibility**

Our approach

- Common, **co-created** curriculum
- 'Instructional' approach to teaching with a focus on building **fluency**, and embedded means of **participation**
- “**Warm**/ strict” or “Firm but **fair**” or “Tough **love**” or **WWF** (warm, welcoming and friendly)
- As **consistent** as possible (appreciating that exceptions and adaptations are required)
- Coordinated **pastoral** and learning support

Curiosity

Tenacity

Responsibility

Respect

Our Rules

Our rules for the classroom and around the academy are underpinned by the values that drive our organisation and which all members of our community seek to aspire to every day

Around and Beyond the Academy Rules

Classroom Rules

01

Arrive to the academy on time wearing our full academy uniform with pride and adhering to our dress code

01

Be polite and show respect for other people and the academy environment

02

Take responsibility for ensuring our site remains clean and tidy, placing all litter in bins

02

Arrive on time, fully equipped and ready to learn

03

Follow all staff instructions – first time, every time

03

Enter the classroom in silence, following the entry routine

04

Demonstrate positive social behaviours, avoid raising your voice and refrain from inappropriate physical contact with others

04

Follow all staff instructions – first time, every time

05

Ensure that you act as a responsible citizen, being respectful and supportive of all people in our community

05

Work hard, with maximum effort – never disrupting others

06

Always transition around the academy safely with pace and purpose

06

Consistently demonstrate pride in the presentation of your work

07

Ensure all mobile phones and electronic devices are turned off and that they are not seen, heard or used during the academy day

07

Always do your homework to the best of your ability and hand it in on time

08

Remember, you are an ambassador for the academy, and it is essential that you embody our values at all times.

08

Stand in silence at the end of the lesson and follow the exit routine

Building a Positive Learning Culture

Scholar reward and recognition is essential to our behaviour policy and the success of our academy. Here are all the ways in which scholars will be praised over time and what you should be aiming towards.

05

Cumulative Rewards

As scholars accumulate their House points, they will receive certificates and badges for key thresholds (for example 100, 200 or 750+).

Termly Rewards

Zero Hero scholars will be rewarded at the end of each term for achieving a whole term without any Negatives and 100% attendance. Once they have achieved their bronze ZH badge, they can go onto achieve their silver and gold badges!

04

03

Half Termly Rewards

Every half term, year group celebrations will take place. Staff will also recognise the achievements of scholars through these celebrations!

Weekly Rewards

Every week, scholars who have 100% attendance and do not receive any Negatives will automatically receive 3 House points and be on track to be a Zero Hero!

Form Tutors will celebrate the successes of individual scholars and the form. Staff will also make 'Praise Contact', sharing the achievements of scholars with their family.

02

01

Every Lesson, Every Day

Scholars will receive regular praise for good behaviour in line with the academy's values. Scholars will receive 1 House point each time they go above and beyond to demonstrate the academy's values.

The Astrea Ascent

What motivates me when I make the right choice?

It is who I am

05
STEP

I want a
great future

04
STEP

I want others to trust
me and to build
relationships

03
STEP

I want recognition
and rewards for the
effort that I put in

02
STEP

I want to avoid negative
consequences

Sixth form enrichment

Leadership opportunities

House Councils

Help to organise fun events, raise money for a charity, work with your house leader and other students in your house.

Student Leadership Group

Represent the views of the student body to the Senior Leadership, Parents/ Carers and Governors and make a real difference!

Find out more

Open weeks

From Monday 6 – Friday 17 October: come into school during the day and see what it's like for yourself.

Ask the experts

Please ask our students and staff as many questions as possible – they are the experts on our school.

Keep in touch

Please use the QR code on the sheet in your pack to be added to our mailing list of events.

There will be a prize draw of cards for one lucky family to win their whole school uniform for their child.

Have a great evening!
