

SAFE TO BE

Are you an LGBTQ+ young person in Cambridgeshire or Peterborough?

Have you experienced bullying based on your LGBTQ+ identity?

The Kite Trust is a registered charity supporting LGBTQ+ young people across Cambridgeshire, Peterborough and surrounding areas. We've launched a new project called 'Creating Supportive Environments', which aims to tackle bullying, violence and hate crime towards LGBTQ+ communities.

Safe To Be is a new service offering a space for you to access confidential support for bullying on a one-to-one basis.
