16 – 19 Bursary Fund Information

The Government has set aside some money for schools, colleges, training providers and local authorities to allocate to young people who need financial support to stay on in further education or training. This is called the 16 – 19 Bursary Fund.

This fund could help you with education-related costs that may arise during the school year, including essentials like a meal during the day or transport to the Academy. It might also provide you with extra help to buy books, clothing or equipment for your course, or help pay for educational visits.

Each school, college or training provider receives an individual allocation of these funds for the academic year from the EFA. Once these funds have been awarded to eligible students there is no guarantee that further monies will be available to support students who subsequently submit an application.

Who will the bursary be paid to?

The 16 – 19 Bursary Fund has two elements:

Vulnerable Student Bursary – you could receive this if you:

- are in local authority care, or have recently left local authority care; or
- receive Income Support, or Universal Credit, in your own name;

Discretionary Bursary – Providers may then use their discretion to make awards to young people in ways that best meet the needs and circumstances of their students.

A Discretionary Bursary can be made to students:

- who are eligible to receive a Free School Meal;

- whose household income is below £20,817;
- who have been affected by a sudden, exceptional change in financial circumstances.

Am I eligible?

To be eligible you must be at least 16 years old and under 19 years old on 31st August 2026. You must also be taking part in full-time or part-time further education, or training.

Further information and advice for young people regarding the 16 – 19 Bursary Fund is available from the Education Funding Agency website <https://www.gov.uk/government/organisations/education-funding-agency>

How much will I receive?

The amount you are awarded will be determined by your individual circumstances and the requirements of the course you are studying.

All awards made under the scheme will be subject to meeting the requirements set out in the Bursary Agreement. The Agreement must be signed before any award can be received. Full details of these requirements can be obtained directly from the Sixth Form office.

Applications for the 16 – 19 Bursary can be submitted at any time, but it is important to recognise that there is a limited amount of funding available, therefore, all applications are subject to the availability of funding, at the time of your application.

Applications will not be considered once all funds have been distributed.

How will the bursary be paid?

The bursary awarded will be used to support and help provide resources which are essential to your courses. This may include books, stationery and materials for practical subjects.

All bursary awards will be subject to you meeting the standards set out in the Bursary Agreement.
