## 1. Admission Authority

Astrea Academy Trust is the admission authority for the school.

## 2. Published Admission Number (PAN)

The school has a PAN of **320** for entry into Year 7.

The school will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The numbers above are often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary, and the Trust is entitled to limit the indicative admission number to a number below 320 where there are clear grounds to do so.

## 3. Application Process and Timeline

Normal Round (for entry into Year 7 in September)

- Applications made during the main round for a place at the school are administered through Barnsley Metropolitan Borough Council (**"the LA"**). Parents resident in Barnsley can apply online at: <https://www.barnsley.gov.uk/services/children-families-and-education/schools-and-learning/school-admissions-and-transfers/secondary-schoolplaces/>
- Parents in other local authority areas must apply through their home local authority.
- The Local Authority's timetable will be used for all normal round applications each year.
- The deadline for an application for a place in Year 7 is **31<sup>st</sup> October** in the year before your child will start secondary school.

- Offers will be made by the Local Authority, on behalf of the school, on **1<sup>st</sup> March** or the next working day.

#### 4. In-year admissions

Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 8 child moves into the area an in-year application will be made.

Applications should be made directly to the school by completing an in-year application form which is available from the school. The School will consider all such applications and if the year group applied for has a place available admit the child, unless one of the permitted reliefs applies<sup>1</sup>

If more applications are received than there are places available, the admissions criteria clause 5 will be applied. Parents will be advised of the outcome of their application within 10 - 15 school days.

If the school is not able to offer a place, the child's name will be added to the waiting list which will be open for the whole academic year.

#### 5. Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health, and Care Plan (**EHCP**) which names the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. **Looked After Children** and children who were previously looked after.<sup>2</sup>
2. **Siblings** of children who will still be in attendance at the school on the proposed date of admission for the applicant. A ‘sibling’ is a brother, sister, half-brother, half-sister, stepbrother, or stepsister who is ordinarily resident at the same address as the child for whom the application is being made.
3. **Children living nearest to the school, as measured by straight line distance.**  
The distance will be measured from the central point of the address at which the child lives to the main entrance of the school building. The distance measurement will be calculated by the LA using a computerised system.

<sup>1</sup> Section 87 of the SSFA 1998

<sup>2</sup> **Children who are Looked After Children and all previously Looked After Children**

A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A ‘child arrangements orders’ are defined in Section 8 of the Children Act 1989 as amended by Section 12 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

## 6. Tie-break for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation which will be managed by the LA.

## 7. False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA/school of their circumstances as they apply to the admission criteria at the time of application.

## 8. Notes

- a) **Home address** - The home address is where a child normally lives.
- b) **Shared parental responsibility** - Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time. **The School will follow the policy used by the LA.**
- c) **Multiple births** (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.
- d) **Service children and Crown servants** - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

## 9. Late applications

All applications received after the deadline will be treated in accordance with the LA's policy on late applications.

## 10. Admission of children outside their normal age group

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home LA during normal round admissions, or to the school as described above regarding the in-year admissions process, clause 4. Each application will be considered and decided by the school on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the child to be admitted in a lower or higher year group.

The school will take into account the parent's views; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The School will consider the information provided, taking into account the views of the head teacher and will inform the parent in writing of their decision including the reason. If the school agrees to this request the child will be considered with the other applicants under the published oversubscription criteria for the admission year and year group that they are applying for.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

## **11. Waiting lists**

The School will operate a waiting list for applications submitted for years 8 – 11 and year 7 after 31 December, which will be open for the full academic year. If at the end of the academic year a parent would like their child to be considered for entry to the subsequent year group, they will be required to apply afresh, see clause 4.

A child's position on the waiting list and any offers made as places become available will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

The LA will hold a waiting list for Year 7 entry until 31 December 2024. All children who have not been offered a place at the school or where the school is ranked higher than the school where an offer was made will automatically be placed on the waiting list. Parents who would like their child to remain on the waiting list after 31 December will need to follow the process outlined in clause 4.

## **12. Appeals**

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

## **13. Fair Access Protocol**

The School will participate in the LAs Fair Access Protocol which will be used to place vulnerable and /or hard-to-place children, where they are having difficulty securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. Children admitted under this protocol will be prioritised over those on the In-year waiting list.
