Dear Parent/Carer,

Personal Development Consultation:

I am writing to introduce myself to you as the Associate Assistant Principal responsible for our Personal Development (PD) curriculum at Woodfields. Personal Development lessons should give young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, happy lives and meet their full potential. Our PD curriculum is delivered in weekly (KS3) or fortnightly (KS4) timetabled lessons.

Within PD, we deliver [Personal, Social, Health and Economic Education](#), as well as the statutory guidance for [Relationships and Sex Education](#), [Careers Guidance](#) and [Citizenship](#). We have structured the learning into 4 strands which students explore in an age-appropriate way each year. These strands are:

- Health and Wellbeing
- Sex and Relationships
- Wider World including CEIAG (Careers Education, Information and Guidance)
- Citizenship

We strongly believe in the importance of working closely with our families to ensure our PD provision meets the needs of your child as effectively as possible.

As such, I would like to invite you to join us at Astrea Academy Woodfields on **Thursday 12th February between 4:00-5:00pm** for a drop-in consultation event. At this event, I will be able to show you the PD curriculum so you can see what your child will be taught and when. You will also see some examples of the materials used in lessons to deliver the curriculum. Please register your attendance at the link [here](#).

If you cannot attend in person, then we would also like to offer you the opportunity to participate in the consultation via an online form. This contains a series of questions relating to our PD curriculum. First, please read our Relationships and Sex Education [policy](#); the curriculum overview as is relevant to your child can be found on page 12.

Then, please complete our online consultation form [here](#). Please complete this form before 25th February when this consultation will close.

Principal: Mr David Scales

We are committed to working in partnership with our families to ensure our pupils receive the best PD education possible and as parents/carers you play a critical role in this. I would like to thank you in advance for your input in shaping our PD curriculum and I look forward to working with you this year.

Yours faithfully,

Ben Allsop

Associate Assistant Principal - Personal Development / Curriculum Leader (Science)
