Our Top Revision Tips

Where do you want to be in September and what do you want to be doing?
Okay – well there is no magic wand – the only way to get it is to WORK HARD.

STARTING IS THE BIGGEST HURDLE

CREATE A SPACE – GET ORGANISED – CHAOS IS STRESSFUL

1. If you are lucky enough to have your own space at home – organise it.
2. If you work in a communal space – sort your stuff into boxes (we have loads of A4 lids at school)

USE YOUR REVISION PLAN

Stick to your revision timetable.

Use this booklet as a checklist for each subject. Have you planned enough time to complete all the must do tasks? Have you planned some additional time to complete a good amount of should do or could do tasks?

SO, WHAT'S GOING TO DISTRACT YOU?

1. Make a list of all the things that distract you away from your studies.
2. Now highlight the ones that are easy to solve. Do something about these ones.
