Dear Parent/Carer,

I am writing to confirm to you that from September 1st 2026, the Class of 2031 will no longer participate in Family Dining as they move into year 9. Our older year groups enjoy a voluntary school canteen service of freshly cooked and nutritionally balanced meals and can bring a packed lunch should they wish.

It has been a pleasure to witness the personal growth of this year group and hear their poetry and appreciations over the last two years through our Family Dining scheme. This approach has allowed them to make new friends and socialise with everyone in our year group which has helped develop a strong sense of community.

From next year, they will be able to choose whether they eat a packed lunch, our meal deal or one of our many other food options from our canteen. This is prepared by our excellent catering team each day using fresh ingredients. We cater for all dietary requirements, if you would like to update these details please contact office@astreawoodfields.org to inform us of any changes.

Yours faithfully,

David
