Dear Parent/Carer,

I am writing to confirm that the Class of 2033 will benefit from a canteen service when they join us in Year 7 rather than the Family Dining experience that we have previously communicated. We will work with your child to ensure that they have a very positive experience of transition where they make new friends and feel comfortable at secondary school.

Scholars will be able to choose whether they eat a packed lunch, our meal deal or one of our many other food options from our canteen. This is prepared by our excellent catering team each day using fresh ingredients. We cater for all dietary requirements, if you would like to talk to us about anything that might support your child at mealtimes, please contact office@astreawoodfields.org.

Thank you again for choosing Astrea Academy Woodfields. We are looking forward to getting to know your child so that we can help them get to university, or a real alternative, and live a great life.

Yours faithfully,

David Scales
