8th July 2026

School Meal Price from September 1st 2026

Dear parent/carers,

I am writing to inform you of the change in school meal price for 2026/27. Due to the current rate of inflation, we have taken the difficult decision to increase the cost of the meal deal, to £3.00 from £2.88. All items purchased in our dining hall are subject to an approximate 3% increase in price.

As a trust, we benchmark our prices against schools in the region and we are confident we remain in the median range to ensure the cost to families is fair, whilst still being able to provide a first-class service for all our children.

This increase is helping us to ensure every Astrea child has access to a hot, fresh, and sustainable meal, for every day they are with us.

If you believe you could be entitled to Free School Meals, please apply on the council website.

Yours faithfully,

David Scales
Principal
