Principal: Mrs. Victoria Southall

Dear Parent/Carer,

As your child settles into life at Astrea Academy Woodfields, we are looking forward to getting to know them as learners and supporting them to achieve their full potential throughout their secondary school journey.

As part of our Year 7 transition programme, scholars will complete GL Assessments in English and Mathematics during the week beginning 21 September. These assessments help us understand each scholar's strengths and areas for development so that we can provide the right support from the start of secondary school.

The schedule is as follows:

- Monday 21 September: Assessment briefing and practice session.
- Tuesday 22 September: GL English Progress Test.
- Wednesday 23 September: GL Mathematics Progress Test.

There is no revision required for these assessments. We simply ask scholars to try their best, as the results will help us plan learning, identify support where needed, and ensure every scholar gets off to the strongest possible start.

We understand that some children may feel nervous about assessments. Staff will ensure that scholars are well prepared and supported throughout, and they will receive guidance beforehand, so they know exactly what to expect.

Encouraging your child to get a good night's sleep, to arrive to school on time and give 100% effort in both assessments will help them feel confident and ready to do their best.

If you have any questions regarding the assessments, please do not hesitate to contact the academy. Thank you for your continued support.

Kind regards

Mr Arezoo
Vice Principal
Astrea Academy Woodfields
