Unifrog – The Complete Careers Platform

Dear parent / carer,

To continue to provide scholars with **outstanding careers information, advice, guidance** and tailored support when choosing their next step after school, we are working in collaboration with Unifrog: an award-winning, online destinations platform. All scholars in years 7, 8, 9, 10 and 11 now have access to this website.

What is Unifrog?

Unifrog is designed to support learners in **making informed decisions about their futures**, with a range of tools that are suitable for all year groups. Each scholar has their own account that provides a range of information related to their interests and aspirations.

Key features of the platform for scholars include:

- Psychometric testing quizzes
- Career and subject exploration
- Webinars and interactive short courses
- Self-reflection and portfolio building tools
- Search tools for live apprenticeship and employer opportunities, and university courses
- Application and essay-building tools

Scholars access the platform by clicking a link in their welcome email and will be able to access via single sign on. They'll able to access using any computer, tablet, or smartphone. We encourage you to use the platform with your child so you can support them through the process of deciding on their next steps.

To do this, we've set up a parent login so that you can use Unifrog as if you were a scholar yourself, allowing you to access the same resources and tools as your child.

To make your account, go to www.unifrog.org/parent and create an account using your email address.

You can also sign up to Unifrog's parent / caregiver newsletter to get expert advice and guidance on supporting your child with their next steps.
