

Keeping Safe in the Online World

Parents and carers, join us on a Google Meet to hear the latest updates on how you can help protect your family in the online world. The update will be led by the ICT in Schools Team from South Tyneside Council. The session will last about an hour and look at recent trends and provide resource recommendations for you to use at home.

When:

Wednesday 9th February at 4.30pm

or

Thursday 10th February at 4.30pm

Contact the school office to express your interest and to receive the access link to the Meet.
