Dear Parents/ Carers,

Following yesterday's announcement regarding school closure I am writing to update you with the schools current position. All children will have a work pack along with reading books and useful websites. As well as completing these additional physical and creative activities (walking, painting etc) are also encouraged. Additional work packs may be provided in the coming weeks depending on the anticipated length of closure. Details will be sent to parents via the school website, text messaging service and face book. Please note Breakfast and Afterschool club will not run until further notice.

As outlined by the Government school will put plans in place for those children whose parents are '**Key Workers**', **children with Education Health Care Plans and those who have the support of a Social Worker**. In order to ensure that we continue to open for these children safely (correct staffing ratios, provision of meals etc) I would be grateful if you could complete the form below and return by **Friday 20th March**. This will provide us with an idea of the number of children who will be attending school. If your child **DOES NOT** fall into any of the above categories **DO NOT** return the form.

At the time of writing there is no definitive list of key worker occupations however reports state that categories of key worker that may require childcare are currently:

- Police staff
- NHS staff
- Delivery drivers (food/ medical supplies)
- Social Workers
- Education workers (all staff who work in schools)

I appreciate that this is a time of uncertainty for all of us but if there is anything you feel school can support with please contact us via the school office.
