

Here We Go on Elmer's Adventures Song

(Sing to the tune of 'Here We Go Round the Mulberry Bush'.)

Here we go round the water hole,
Water hole, water hole.

Here we go round the water hole,
Watch out for the crocodiles.

Here we go round the jungle trees,
Jungle trees, jungle trees.

Here we go round the jungle trees,
Watch out for all of the monkeys.

Here we go off to the river,
The river, the river.

Here we go off to the river,
Watch out for all of the hippos.

Here we go up the mountain high,
Mountain high, mountain high.

Here we go up the mountain high,
Watch out for all of the cold snow.

Here we go off to the seaside,
The seaside, the seaside.

Here we go off to the seaside,
Watch out for all of the whales.
