National Lockdown – January 2021

Dear Parents/carers,

Following the Prime Minister's announcement on the 4th January, Adelaide Primary School will be closed to all pupils except for children of critical/key worker and vulnerable children. If you think that your child is eligible for a place at school and you wish to arrange for them to attend, please contact the school office – **01482 223753**. Parents must speak with the office to arrange a place in school first. There is a limit to the amount of children we are able safely take in each classroom. Places cannot be guaranteed, but we will do all we can to accommodate every request.

Critical worker criteria

Children with at least one parent or carer who is a critical worker can go to school. Amongst the long list of critical worker roles are health and social care jobs, education and child care jobs, key public service roles, local government roles, food preparation and distribution roles, transport and boarder jobs, utilities services roles.

Vulnerable criteria

Amongst the long list of criteria, vulnerable children include those who have a social worker, children with EHC plans, children receiving early help, children living in temporary accommodation, and any child the school deems to be vulnerable.

A full list detailing the key worker and vulnerable children criteria can be found here -

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

Home learning

The teachers have been busy preparing many high quality-learning resources for the children to access while at home. I am thrilled to announce that **all children at home will have access to live teaching by an Adelaide class teacher from 6th January**. This will be via Zoom. To access live lessons, click on the links on the home learning sheets found here: [http://adelaide.hull.sch.uk/](http://adelaide.hull.sch.uk) (home learning tab)

We will do all we can to make home learning as engaging as possible. However, we know it is not the same as being in school. The school will certainly not be the same without all of the pupils in the classrooms. We hope that all of our wonderful children will be to return safely very soon.

Please keep safe and keep in touch with us at the school.

Yours sincerely,

Mrs Adkinson
Head of school
