Home Learning During January Lockdown

Dear parent/carer,

Whilst school is closed to all except vulnerable children and children of key workers, we are keen that learning continues from home. We have prepared home learning resources that your child can access via the school website, including links to live lessons delivered by our teachers. Paper copies of this work, along with exercise books and basic stationery can be collected from school on request, by telephoning the office.

To access home learning via the school website visit <http://adelaide.hull.sch.uk/> and click on the 'Home Learning' tab and click on your child's year group in the drop down menu. Home learning sheets will be published on a daily basis beginning on Wednesday 6th January until schools re-open again to all pupils.

If you have any queries about the home learning we have set please email homelearning@adelaide.het.academy and your child's teacher will get back to you as soon as possible. We would also love you to send us any photos of work your child is especially proud of for a big thumbs up us.

Kind Regards

M. Rodson

Assistant Headteacher
