

Sensory Experiences

Can you make rainbow bubbles?

- You will need a good amount of washing up liquid to make lots of bubbles. The egg beaters work really well to get a lot of lather.
- Add drops of liquid food colouring for an extra sensory experience. Drop colouring on the top of the bubbles and then they used the egg beaters to swirl and mix it together.

Independence skills

5-Minute Microwave Rice Krispie Treats

Making easy [Rice Krispie treats](#) with support

- Weigh 45g butter and 300g mini marshmallows and put them in a microwaveable bowl.

- Cut into squares

Fine Motor skills

EGG CARTON Building Blocks

- Depending on your child's cutting skills you may need to cut out the majority of the egg carton pieces.
- You can paint them in different colours
- When dried use them to build colourful pyramids
- You can stack them to make towers. How high can you go? Let your child enjoy knocking the tower down.
