

Speech and Language

Can you name the objects?

Fine Motor skills

Cut out the boxes below and keep the pictures safe to play the memory game

Working Memory

Can you put the tools away in the tool box?

Put the pictures on the table. Take turns choosing one picture and naming it and putting it on the picture of the tool box. When all 6 pictures are on the tool box pretend to close the lid with your hand to cover the pictures and see if one or two pictures can be remembered
