

## Working Memory

### THE MAGIC CUP GAME – a fun memory exercise

- Place three identical, plastic cups or yogurt pots in a line on the table, rim down.
- Place a pom pom, a small rubber ball or any small object under one cup, allowing your child to see which cup it is under.
- Shuffle the cups around by sliding them across the table, switching their positions quickly back and forth and all around.
- Once you have stopped moving the cups ask your child to identify which cup the ball is now under.

## Speech and Language

1. Draw a line under the red circle.
2. Draw a circle around the green star.
3. Draw a square around the yellow circle.
4. Draw a cross on the red square.
5. Draw a star above the yellow triangle.
6. Draw a square on the blue square.
7. Draw a line under the blue star.
8. Write the date in the green triangle.
9. Write your name under the blue circle.
10. Draw a face on the blue circle.

## Fine Motor skills

### Create a fine motor skills character and build up hand strength and coordination.

- 1) Begin by colouring the top third of the toilet paper roll. This will be the "hair" so it can be one colour or multiple colours.
- 2) Draw on a face below the hair.
- 3) Cut the hair into thin strips using the safety scissors. Note: Hold the tube from the opposite end while cutting.

- 4) Fluff out the hair and decorate as desired!
