If you are a Meerkat – use this time to do the NAPA lesson! The link is at the bottom of the page.

This time is going to be for you to ask Miss Snowden any questions you may have about coming back to school on Monday.

You might feel a bit worried about returning to school – this is a good chance to see your friends from your own class and talk together about next week.

Think about some of these questions:

How do you feel about going back to school?	What worries you about returning to school?	Has staying at home been harder or easier than you expected?	How can you continue to keep safe?
