

Enjoyable Ebenezer

Today we interviewed Finlay, one of the stars of our winter production, Ebenezer!

How do you feel about playing Fred?

I'm excited about the show because I think I've got a good cast around me and I think that if we put in the effort and the time, it will be a great show and a talented instructor led by miss joans.

Are you happy for scrooge?

I think Ben is a very able actor and he will portray Scrooge very well.

How do you feel about being on stage?

I think that everybody suffers from stage fright but a good actor will be able to overcome that quickly.

Which is your favourite song in Ebenezer?

"I hate everybody" sung by Scrooge.
