

Use this Question Matrix to structure your revision. Start with questions in the top left corner as they are easiest and warm you up. Work your way down to the bottom right hand corner where the challenges are. Write yourself questions on post it notes, or get someone else to do it. You could write the answers on the back of the post-its using your notes and then test yourself. Try to answer them using higher level language to get the best grades!

QUESTION MATRIX	IS? DOES?	HAS? DID? WAS?	CAN?	SHOULD?	WOULD? COULD?	WILL?	MIGHT?
	PRESENT	PAST	POSSIBILITY	OPINION	PROBABILITY	PREDICTION	IMAGINATION
WHAT?							
WHERE?							
WHEN?							
WHO?							
WHY?
