## EHCP

A initial meeting was held on 11/6/18 of the EHCP work stream. Four of us met up to discuss the priorities we would be working on. A EHCP quality workshop is being held in July and another workshop about social input into EHCPs. We also hope to attend the Autumn term SENCO meetings to raise awareness about the LPCF.

## Message from Lucy our Hub Co-ordinator

LPCF hubs around Leicestershire are growing in numbers and I am pleased to see more and more people attending and allowing their voice to be heard, it's a very positive step

The Local Offer website is currently under review, however we want to assure you that any feedback you provide will be taken

into account and used to develop the site further. Changes to the layout will appear over the next few months, whilst work to develop the search facility remains ongoing.
