

TRAIN TO TEACH WITH GROBY AND PARTNERS

WREAKE VALLEY ACADEMY

Welcome to Wreake Valley Academy. We are situated on the outskirts of Syston and welcome students not only from Syston and Thurmaston but also the surrounding villages.

Our vision is for all at Wreake Valley to be confident lifelong learners, growing in independence equipped to overcome life's challenges and prepared to contribute to our global community.

The Wreake Way is to:

- provide a broad and balanced curriculum where high quality teaching and learning is delivered in a vibrant, supportive learning environment.
- create a culture of achievement that celebrates and nurtures the unique talents and abilities of everyone
- embrace diversity and foster mutual trust and respect to ensure fairness and equal opportunities for all
- promote health and well-being in an environment where everyone feels valued, safe and cared for.
- instil pride and passion, to seize opportunities and to be brave with the decisions that we take.

We are driven by our commitment to provide students with the highest standards of teaching and learning. In return we have high expectations of student behaviour and commitment to their studies. Our students benefit from a modern learning environment with outstanding facilities. We are a school at the heart of the local community, providing a friendly, creative and purposeful learning environment. All staff work hard to get the best out of our students in partnership with you, the parents. We are delighted to welcome visitors into our school.
