MCH/MCH
21st April 2020

Dear Student

Firstly we would like to commend you for your mature attitudes and resilience during the first 2 weeks of the school closure and the unsettling situation we find ourselves in. We know that this is far from an ideal situation for all of us and we are all working hard to ensure that your education continues and is affected as little as possible. As you are all aware now you will not sit GCSE exams and your teachers are working very hard to ensure you get the GCSE grades you deserve following the Ofqual and government guidelines.

In light of the school closure we do not believe we will be able to offer the induction days in June and therefore are looking into different ways we can deliver this online to you so you still get all the information you would have collected on that day. We are also looking at the delivery of some transition work for you, for each subject, where you can start to work towards your A level choices and hope to give you a better understanding of what to expect in terms of work and content at A level. As soon as we have decided on the best way forward with this we will send you all the information you will need to be able to engage with the transition work.

You will have received a 'conditional offer' letter at your interview or via email if you did not have an interview. We will continue to keep you updated with any news during the rest of this academic year and hope you achieve the grades required and accept our offer by attending our registry day on Tuesday 25th August.

If you have any questions or need any further guidance at this point please do not hesitate to contact us Post16@brookvalegroby.com

Finally, please stay safe and listen to the information the government is delivering regularly. Together we can beat this and return to normality very soon.

Kind Regards

Michelle Cheadle
