MCH/MCH  
11th May 2020

Dear Student,

I hope this email finds you well and staying safe.

Following on from my letter of 21st April please find below our plan to deliver transitional work for you in preparation of starting in Post 16 with us. To enable you to access this work and the subject teachers we have been working hard to set you up on our systems and create your own school email address. This email address will allow you to have an account and access our Google Suite including Classrooms. Google Classrooms have been set up for each subject and you will be invited via email to join the classrooms by the subject teacher. This will give you access to all of the work and information we will be delivering to you.

Login:

Email Address:

Password: **password**

You will need to sign into the Google Suite via our website using the above details. We have attached an instruction sheet on how to do this. You can also watch this video <https://youtu.be/c9Ut3mvm-a8> Please make sure you first change the password to something secure which you will remember. If you have any problems with access, signing in or setting up then please email us on [post16@brookvalegroby.com](mailto:post16@brookvalegroby.com)

Subject teachers are in the process of inviting you to join Google Transition Classrooms for the subjects that you initially chose via your application or interview. Teachers will then start to introduce themselves and the course to you and deliver some transition work for you to engage in and complete. This work will give you a really good insight into the subjects you have decided to study at A level and give you a taster of the types of topics you will be studying for the next 2 years and what will be expected of you. We will be inviting you to the 3 or 4 subjects you initially selected at application/interview stage, but if there is another subject you want to have a look at or are still deciding between subjects then please email either the Post 16 Team [post16@brookvalegroby.com](mailto:post16@brookvalegroby.com) or the Head of Faculty of the subject you want to join (email addresses can be found on our website) and we will arrange for you to be part of that Classroom and receive the work being set. If you do not have

access to a classroom for a subject you have previously applied for, please let us know, but wait until at least Monday 18th May as teachers are working through them individually so may not have done it yet.

Please make sure you join the classrooms you are invited to and we highly recommend you engage with this work and complete as much as you can so you are prepared for your A level study when we hopefully see you at the end of August. It will also allow you to look at other subjects should you still be deciding on your final subject choices.

We have also created a Post 16 Year 11 to 12 Transition Classroom that you will be invited to join. We will post information there regarding induction, transition, registry day along with some Tutor Time tasks (VESPA) to complete and the enrichment program with enrichment activities that you may want to start looking into. Some of the enrichment activities are online so you may want to get a head start with them and start to gain your awards. We will be asking you to select the enrichment activities you want to sign up to via a google form later in the term.

We will continue to keep you updated with any news during the rest of this academic year and hope you achieve the grades required for entry into the school and to the subjects you have chosen. If you have met the requirements we hope you will accept our offer through our online registry day on Tuesday 25th August, details of this will be sent to you closer to the date.

If you have any questions or need any further guidance at this point please do not hesitate to contact us [Post16@brookvalegroby.com](mailto:Post16@brookvalegroby.com)

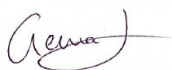

Finally, please stay safe and listen to the information the government is delivering regularly. Together we can beat this and return to normality very soon.

Kind Regards

Michelle Cheadle
