

Meet your new Year 7 Tutor

You are probably looking at this page because you have received your letter telling you which tutor group you are going to be in next year. These will be the first of our teachers that you meet on your first day in school.

Hopefully you will be staying with them right through your time at Brookvale Groby.

Find your tutor below and read their introduction of themselves and their welcome to you!

 	<p>Mrs Wilson</p> <p>My name is Mrs Wilson and I am looking forward to meeting you all for the start of your journey at BGLC. I am a Maths teacher and I am based in the Groby building. We have a lovely campus with lots of space for you to explore and make new friends. There are a lot of kind and helpful people here to make your time with us a safe and secure one. You will start some new subjects as well as ones that you have studied in the past and you will get to use some of the fantastic facilities that we have.</p> <p>Mrs Teasdale</p> <p>Hi my name is Mrs Teasdale I am really looking forward to being one of your form tutors. I teach Psychology and Health and Social Care. The thing I love most about being a teacher here is how friendly everybody is. I will be working with Mrs Wilson's tutor group on Thursdays and Fridays.</p>
	<p>Mrs Woolf</p> <p>Hi all I'm Mrs Woolf, I'm your new Form tutor. I work in the Groby building in room GM1 and I teach Maths. I really enjoy being a form tutor, I feel this is a really important role in supporting students to ensure you feel safe and supported in all aspects of school life.</p> <p>I will be the first teacher you see everyday and I will be ready to help you organise yourselves for the day ahead. I'm sure you are all excited and perhaps nervous about starting high school and I will be there to answer any of your questions and guide you through this next adventure of school life.</p> <p>I am well known by my previous tutees for rewarding you with my baking treats 🍰 when you all do well. So roll on September, I can't wait to meet you. Have a lovely summer and stay safe.</p>
	<p>Mr Bailey</p> <p>Hi, I'm looking forward to meeting you all very soon even if it is digitally! I teach science down at Brookvale, which means you'll probably be joined by the Keith the skeleton in tutor time (we need a better name!). I've worked here for two years after 10 years at a school in Warwickshire and love how approachable all staff and pupils are if anyone needs anything, there's always someone to help!</p> <p>I love bad jokes, Christmas and sport (mainly football and running - don't get me started on my crazy ultramarathons). I can't wait to hear about your interests and hobbies and what we can do to help you to be the best possible version of you!</p>

Mrs Stewart

Hello everyone. My name is Mrs Stewart and I have been a teacher for over 20 years. I am very excited about meeting you all next term and I know we will have a great time together.

I am usually based in the Brookvale building as I teach both English and Media, but as of next year you will also find me in the Groby ADT department as I am also teaching GCSE and A Level Textiles. Brookvale Groby is an amazing place to learn, all the students and staff work together to make this a fantastic place to be. I am speaking from experience, as I also came here as a student and loved it so much I came back to teach here. Everyone is very friendly and will be more than happy to help you if you have any questions. I wish you all a safe and happy summer break and I will see you all really soon.

Mrs Sharpe

Hello, bonjour and hola! I'm Mrs Sharpe and I will be your tutor here at BGLC. Some students call me Madame Sharpe and others might call me Señora Sharpe because I teach French and Spanish. I love being a tutor here at BGLC because students really do work hard and enjoy their learning. It's been a strange year for everyone but I'm looking forward to meeting you all and starting the next chapter together. In the meantime, enjoy your summer holidays!

Mrs Lynn

Hello! I'm Mrs Lynn and as well as being a tutor, I also teach Art, Graphics and Textiles. I am really looking forward to welcoming you into my tutor group next year and meeting you all properly. Brookvale Groby Learning Campus is a friendly and lively place with lots of exciting experiences to be had. Although I am a little biased, my favourite areas are the ADT rooms as I love looking at the bold and vibrant art and design work that covers the walls and that has been created by students just like you! There is so much to get involved in both in and out of lessons, whether you enjoy science, sports, languages or performing. I look forward to sharing more about the school with you in the next couple of months and finding out more about you in turn. Have a lovely summer.

Miss Simmonds

My name is Miss Simmonds and I'm extremely excited to be your form tutor for the next school year. I'm sure there are some things you are all excited about too, and other things that might be naturally making you a little bit nervous. That's okay! I'll be one of the staff members here for you if you have any concerns or questions in Year 7 and I promise, it won't be as scary as it might all seem now. I am an English and Media Studies teacher and you can always find me in the Brookvale building - usually eating all the biscuits in the English department offices!. I have worked at this particular school for the last four years and taught for four years before that at schools in Kent. I absolutely love our wonderful students who make teaching every day fun and rewarding. I know we are going to have a great year and I'm looking forward to meeting every single one of you. Have a lovely summer holiday!

Mr Tagg

"Hello to the future 7DTA. I am Mr Tagg, I am a History teacher who is mostly based up at the Groby building. I hope you are all well, happy and as excited as I am to meet you all as soon as possible. I love my job and I love teaching, I especially love teaching at Brookvale Groby because there are so many smiling faces and happy people, both staff and students and so many are willing to help. I do hope you know that when you join 7DTA you are joining an elite group of year 7s - we will be the best and have the most fun! I look forward to seeing you all very soon and stay safe and happy."

Mrs Smith

My name is Mrs Smith and I am the Head of Music at Brookvale Groby. You will usually find me walking between buildings as we have a Music room based in both buildings. You will most likely have your Music lessons in the Brookvale building though. I am so excited to have a new year 7 tutor group. I hope you are not feeling too nervous about starting at Brookvale Groby. The thing I like most about Brookvale Groby is the friendly atmosphere around the campus so I think you are going to have a brilliant time!
